

The Haiti Health Sector Directory:

U.S.-Based Implementers
Working in Haiti

The information contained in this directory was contributed by organizations and individuals who either participated in the June 26–27, 2003, Haiti Health Sector Summit, a conference sponsored by the U.S. Agency for International Development Mission to Haiti and the U.S. Embassy in Port-au-Prince, or who have some association with Haitian health matters.

Technical and logistical support for the Haiti Health Sector Summit was provided by The Synergy Project, implemented by TvT Global Health and Development Strategies, a division of Social & Scientific Systems, Inc., under USAID Contract Number: HRN-C-00-99-00005-00.

911 Water

Brent Nelson
Owner
6225 Foxwood Trail
Birmingham, AL 35242

Telephone: (205) 702-4444
E-mail: nelson@911water.com
Web site: www.911water.com

911 Water carries water filtration systems that require no electricity or pumping. Its systems can filter water from any fresh water source, including the tap, rivers, lakes, and ditches. Portable and lightweight, 911 Water systems can filter 24–165 gallons per day. In addition, it also carries handheld reuseable filtration bottles for individual use. 911 Water serves relief organizations, missionaries, government agencies, and homeowners.

Academy for Educational Development / Food and Nutrition Technical Assistance (FANTA) Project

Gilles Bergeron
Senior Food Security Advisor
Academy for Educational Development (AED)
1825 Connecticut Avenue NW
Washington, DC 20850

Telephone: (202) 884-8941
Fax: (202) 884-8432
E-mail: gbergero@aed.org
Web site: www.fantaproject.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Grand-Anse, Centre, Sud, Artibonite, Nord-Ouest

Program areas: maternal and child health (including vaccination), nutrition/food security, HIV/AIDS prevention, care and support

The FANTA Project supports integrated food security and nutrition programming to improve the health and well-being of women and children. The five-year project is managed by AED and is funded by the U.S. Agency for International Development (USAID). The project helps to integrate nutrition into the strategic planning process, provides analyses for food security and nutrition policy development, and shares information and knowledge with partners. Technical assistance is provided to USAID Missions, host governments, private voluntary organizations, and nongovernmental organizations to improve program design, monitoring, and evaluation.

Academy for Educational Development / LINKAGES Project

Jean Baker
Project Director
1825 Connecticut Ave. NW
Washington, DC 20009-5721

Telephone: (202) 884-8845
Fax: (202) 884-8977
E-mail: jbaker@aed.org
Web site: www.linkagesproject.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

Program areas: maternal and child health (including vaccination), nutrition/food security, HIV/AIDS prevention, care and support, health policy/systems strengthening

The LINKAGES project provides technical assistance on the infant feeding component of policies and programs to prevent mother-to-child transmission of HIV/AIDS. The program includes development of training curricula and facilitation of training workshops with partners on infant feeding and the prevention of mother-to-child transmission. LINKAGES helps develop behavior change communication materials and plays a coordinating role for issues related to breastfeeding, complementary feeding and maternal nutrition, and HIV/AIDS.

American International Health Alliance (AIHA)

Bernice Bennett
Senior Program Officer/Director of Community Programs
1212 New York Avenue NW, Suite 750
Washington, DC 20005

Telephone: (202) 789-1136
Fax: (202) 789-1277
E-mail: bbennett@aiha.com
Web site: www.aiha.com

Program areas: family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, health policy/systems strengthening, hospital management, infection control, nursing, community mobilization, health promotion and wellness

AIHA develops and manages voluntary health partnerships that “twin” U.S. health care institutions and their communities with counterparts overseas. AIHA's programs build capacity to address critical health priorities in infection control, blood safety, primary care, nursing, women's health, TB, and HIV/AIDS.

American Red Cross

Sandra Brady
International Programs Associate
International Services
2025 E Street NW, 2nd Floor
Washington, DC 20006

Telephone: (202) 303-5012
Fax: (202) 303-0057
E-mail: bradys@usa.redcross.org
Web site: www.redcross.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, malaria control

The American Red Cross was founded in 1881 and chartered by Congress in 1905 as the only voluntary agency “to carry out a system of national and international relief in time of peace.” This humanitarian, volunteer-led organization is part of the worldwide Red Cross/Red Crescent Movement, which is guided by seven fundamental principles: humanity, impartiality, neutrality, independence, voluntary service, unity, and universality. The International Services Department of the American Red Cross provides emergency relief to disaster victims as well as longer-term development work to improve the basic living conditions of the world’s most vulnerable people.

AmeriCares

Dana Waesche
Project Manager
161 Cherry Street
New Canaan, CT 06840

Telephone: (203) 972-5500
Fax: (203) 972-0116
E-mail: dwaesche@americares.org
Web site: www.americares.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Sud, Nord, Nord-Est

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, disaster relief, medicine, medical donation

AmeriCares is a nonprofit disaster relief and humanitarian aid organization that provides immediate response to emergency medical needs and supports long-term health care programs for people around the world regardless of race, creed, or political persuasion.

Association of Haitian Physicians Abroad

Eric Louis Jerome, M.D.
1166 Eastern Parkway
Brooklyn, NY 11213

Telephone: (718) 245-1015 (Michele Remy, Asst.), (718) 771-6133

Fax: (718) 771-6001

E-mail: eljerome@pol.net

Web site: www.amhe.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Grand-Anse, Sud

Program areas: HIV/AIDS prevention, care and support

This organization educates Haitian doctors in Haiti and abroad, and conducts medical missions in remote areas.

Baptist Health South Florida

Kathleen Tuitt
International Services
6200 SW 73rd Street
Miami, FL 33143

Telephone: (786) 662-5005

Fax: (305) 667-9712

E-mail: ktuitt@bellsouth.net

Web site: www.baptisthealth.net/international

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

Program areas: educational seminars and telemedicine/telesurgery

Baptist Health of South Florida is the largest nonprofit organization in South Florida. It comprises six hospitals and several urgent care centers in the Miami-Dade area, including Baptist, South Miami, Baptist Children's, Miami Cardiac and Vascular Institute, Homestead, and Mariners. Baptist Health has more than 2,000 physicians and covers every specialty except burns and organ transplants.

Bon Samaritan

Ann Hume
President
P.O. Box 662
Oscoda, MI 48750

Telephone: (989) 724-5655
Fax: (989) 724-5847
E-mail: godbless@chartermi.net
Web site: www.bonsamaritan.com

Program areas: nutrition/food security, family planning and reproductive health, TB control, malaria control, health policy/systems strengthening, general practice

Bon Samaritan is a nonprofit 501(c)(3) organization that operates a clinic in Montrouis, Haiti. The clinic is open full-time, six days a week, offers generalized care, and uses American medical teams. There are plans to open an outpatient TB clinic soon. The Bon Samaritan mission also includes churches and schools. The clinic administrator and founder is Pierre Frantz Belzince, Rue #4, St. Jean Montrouis, Haiti. His cell phone number is (509) 555 2442.

Caribbean American Network, Inc.

Leslie Thomas
Executive Director
P.O. Box 1678
Cathedral Station
New York, NY 10025

Telephone: (917) 705-3157
E-mail: caribamernet@aol.com

Program work in Haitian Departments: Sud

Program areas: nutrition/food security

The Caribbean American Network's mission is to assist Haitian children to become better citizens of their country by providing access to education, health care, and other services. The network works with the Haitian communities and faith-based institutions in the New York Metropolitan Area to raise funds and deliver services.

Carrying Bread to the Multitudes

Carl Branker
President and Founder
P.O. Box 5826
Hollywood, FL 33083

Telephone: (954) 963-1717
Fax: (954) 963-1726
E-mail: truebread@aol.com
Web site: www.carryingbread.org

Program work in Haitian Departments: Nord-Ouest, Nord, Nord-Est

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support, health policy/systems strengthening, general health

Carrying Bread to the Multitudes is a worldwide humanitarian organization dedicated to helping communities that have been deprived of the basic necessities of life to improve their physical and spiritual living conditions. The organization provides Haitians with clean water, bakeries, clinics, hospitals, medical equipment, medicines, educational centers, food, and clothing.

Catholic Medical Mission Board (CMMB)

Dr. Rabia Mathai
Global Director of Programs
10 West 17th Street
New York, NY 10011

Telephone: (212) 242-7757 Ext. 57
E-mail: rmathai@cmmb.org
Web site: www.cmmb.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Sud, Sud-Est, Nord, Nord-Est

Program areas: maternal and child health (including vaccination), HIV/AIDS prevention, care and support, TB control, health policy/systems strengthening, placement of medical volunteers, medicines and medical supplies in faith-based organizations

The Mission of the CMMB is to strengthen the Catholic health care networks in countries where it works. Programmatic activities include integrated management of childhood illness and prevention of mother-to-child transmission of HIV/AIDS.

Center for Community Health, Education & Research, Inc. (CCHER)

Eustache Jean-Louis, M.D., M.P.H.
420 Washington Street
Dorchester, MA 02150

Telephone: (617) 265-0628 Ext. 213

Fax: (617) 265-4134

E-mail: ejeanlouis@ccher.org

Web site: www.ccher.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

CCHER is a nonprofit, community-based organization whose mission is to provide culturally and linguistically appropriate HIV/AIDS, STI, and TB education and other social services to the Haitian community. CCHER supports community and hospital-based case management services, peer support groups, meal delivery, HIV prevention and education, housing advocacy, and mental health and substance abuse counseling.

Center for Haitian Studies, Inc. (CHS)

Laurinus Pierre, M.D., M.P.H.
Center for Haitian Studies, Inc.
8260 NE 2nd Avenue
Miami, FL 33138

Fax: (305) 756-8023

E-mail: chsinfo@bellsouth.net

Web site: www.centerforhaitianstudies.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Centre

Program areas: nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, malaria control, health policy/systems strengthening, psychosocial counseling, family counseling

Founded in 1989, CHS is a nonprofit, community-based organization that provides a wide range of health and social services to Haitians living in Haiti and in South Florida.

Centre Medical Berca

Mozart Cherubin
General Director
BP 450
Port-au-Prince, Haiti

Telephone: (509) 268-6862
E-mail: cmeb7@hotmail.com

Program work in Haitian Departments: Nord-Ouest

The Centre Medical Berca is a faith-based ministry of the *Union Evangelique Baptiste d'Haiti*. It includes adult, pediatric and prenatal outpatient clinics, as well as inpatient services, including surgery. Its House of Hope is a chronic care facility for vulnerable children, including those suffering from tuberculosis or malnutrition.

Children's Medical Missions of Haiti Nutrition Program

Kathryn Bolles
Program Director
3319 Hixson Pike
Chattanooga, TN 37415

Telephone: (423) 877-2147
Fax: (423) 877-9426
E-mail: kbolles@cmmh.org
Web site: www.cmmh.org

Program work in Haitian Departments: Ouest

Program areas: maternal and child health (including vaccination), nutrition/food security, microcredit, safe water

The Children's Medical Missions of Haiti Nutrition Program services the district of Leogane and works out of the Hôpital Sainte Croix. The organization is committed to the survival and growth of children, the rehabilitation of malnourished children, and the health of mothers. The nutrition program provides low-cost sustainable programs to combat malnutrition at the village level, microenterprise initiatives, a safe drinking water project, and in-hospital treatment for malnutrition.

Christian Operation For Health, Education, and Development (COFHED)

Nicaise or Madeleine Avignon
Field Directors
Management
Jonc Champlois #21
Camp-Perrin, South Haiti
Haiti

Telephone: (509) 485-2267
E-mail: nicaiseavignon@msn.com
Web site: www.cofhed.org

Program work in Haitian Departments: Sud

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support, health education for teens and pre-teens, community-based health

COFHED's mission is to engage in long-term sustainable development in southern Haiti in the areas of health (including school health), education, and economic development (including microcredit).

Church World Service (CWS)

Martin Coria
Associate Director for Latin America and the Caribbean
Social and Economic Development Program
475 Riverside Drive, Suite 700
New York, NY 11372

Telephone: (212) 870-2061
E-mail: mcoria@churchworldservice.org
Web site: www.churchworldservice.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Sud, Sud-Est, Artibonite, Nippes, Nord-Ouest, Nord, Nord-Est

Program areas: maternal and child health (including vaccination), nutrition/food security, HIV/AIDS prevention, care and support, strengthening of ecumenical and faith-based responses to issues of poverty and injustice

Founded in 1946, CWS is the relief, development, and refugee assistance ministry of 36 Protestant, Orthodox, and Anglican denominations in the United States. Working in partnership with indigenous organizations in more than 80 countries, CWS works worldwide to meet human needs and foster self-reliance for the underprivileged.

Clinton Foundation HIV/AIDS Initiative

Ira Magaziner
Chairman
225 Water Street
Quincy, MA 02169

Telephone: (617) 774-0110
Fax: (617) 774-0220
E-mail: info.aids@clintonprograms.com
Web site: www.clintonpresidentialcenter.com

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Sud, Sud-Est, Artibonite, Nippes, Nord-Ouest, Nord, Nord-Est

The Clinton Foundation HIV/AIDS Initiative aims to assist nations in implementing large-scale integrated care, treatment, and prevention programs. It partners with countries in the Caribbean and Africa to develop and implement operational business plans to scale up care and treatment.

Community Coalition for Haiti (CCH)

Anthony Weaver
Project Manager
P.O. Box 1222
Vienna, VA 22183

Telephone: (703) 644-8804
E-mail: aweaver5@cox.net
Web site: www.cchaiti.org

Program work in Haitian Departments: Centre

Program areas: CCH is a joint community effort composed primarily of members from First Baptist Church of Vienna, Vienna Presbyterian Church, and Fairlington Presbyterian Church. Its mission is to improve the quality of life of the people of Pignon and the surrounding area by improving the quality and availability of health care services through better access to clean water, sanitation, immunization, and disease control. The organization also aims to improve the income level of the community through education, health care, and economic development.

Diocese of Milwaukee—Haiti Project

Mary Alice Eschweiler
Co-chair
32022 West Highway K
Hartland, WI 53029

Telephone: (262) 367-6564
E-mail: sheppatch@aol.com

Program work in Haitian Departments: Sud-Est

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, TB control, malaria control, health policy/systems strengthening, water issues

Since 1986, the Diocese of Milwaukee has partnered with a village of 2,500 people in Haiti and Episcopal churches in southern Wisconsin. The Diocese supports education from preschool through ninth grade for 660 students, an agricultural cooperative, water systems, and a clinic staffed by two nurses and two health workers.

Dr. John T. Macdonald Foundation, Inc.

Kim Greene
Executive Director
1550 Madruga Avenue, Suite 215
Coral Gables, FL 33146

Telephone: (305) 667-6017
Fax: (305) 667-9135
E-mail: kimgreene@aol.com
Web site: www.jtmacdonaldfdn.org

The foundation funds health-related programs.

Episcopal Church of Haiti

Burton Joseph
Program Officer
Office of Development
Angle Rues Lamarre & Moise #2
Petion-ville, West
Haiti

Telephone: (509) 256-4120 Ext. 27

Fax: (509) 257-2637

E-mail: bjoseph02155@yahoo.com

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Centre, Sud, Sud-Est, Nippes, Nord-Ouest, Nord, Nord-Est

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, malaria control, lymphatic filariasis

The mission of the Episcopal Church of Haiti is to know Christ and to make him known. Through its parishes and missions, the church has established a wide variety of health, educational, and agricultural programs. Thus far, it includes about 100 primary and ten secondary schools, four hospitals, and two trade schools. A business/technology institute will be built soon. The church is very active in the community and looks forward to increasing its services in the future.

The Episcopal Diocese of Western North Carolina

The Reverend Deacon Laine Calloway
P.O. Box 387
Old Fort, NC 28762

Telephone: (828) 668-4830

E-mail: calloway@mcdowell.main.nc.us

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Sud, Sud-Est, Artibonite, Nippes, Nord-Ouest, Nord, Nord-Est

The Episcopal Diocese of Western North Carolina has been involved in Haiti for many years. Working in a variety of areas in health and education, its most recent endeavor is called Mission Manna.

Family Health Ministries, Inc. (FHM)

David Walmer, M.D., Ph.D.
P.O. Box 16725
Chapel Hill, NC 27514

Telephone: (919) 932-9699
Fax: (919) 681-7904
E-mail: david.walmer@duke.edu
Web site: www.familyhm.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health

FHM helps local communities find resources and empower themselves to solve problems the communities have determined to be their highest priorities. It currently supports efforts in health (primarily for women and children), including a ten-year cervical cancer prevention project, primary and higher education, agriculture (aquaponics), nutrition monitoring, and church support. FHM currently assists the cities of Cité Soleil, Leogane, Cormier, and Fondwa.

Fellowship of Associates of Medical Evangelism (FAME)

Cameron Mayhill
Project Manager
P.O. Box 33548
4545 Southeastern Avenue
Indianapolis, IN 46203

Telephone: (317) 358-2480
Fax: (317) 358-2483
E-mail: projects@fameworld.org
Web site: www.fameworld.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Sud, Sud-Est, Artibonite, Nippes, Nord-Ouest, Nord, Nord-Est

Program areas: Funding construction of medical facilities

FAME funds the construction of medical facilities and sends donated medical supplies and short-term medical teams to the least-reached and most underserved areas around the globe. FAME exists to spread the fame of Christ to all nations.

The Florida Association for Volunteer Action in the Caribbean and the Americas (FAVACA)

Marc A. Roger
International Programs Manager
The Florida International Volunteer Corps
713 SE 1st Avenue
Hallandale Beach, FL 33009

Telephone: (954) 924-3865
Fax: (954) 924-3871
E-mail: marcroger@favaca.org
Web site: www.favaca.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Centre, Nord

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, malaria control, health policy/systems strengthening

FAVACA is a private, nonprofit organization founded in 1981 by Senator Bob Graham, former governor of Florida. FAVACA's International Volunteer Corps missions have reached more than 30,000 individuals in 29 nations since 1986. In the past five years, FAVACA has provided technical assistance to more than 140 projects in health and other areas in Haiti. FAVACA's mission is to promote social and economic development in the Caribbean and the Americas through volunteer service.

Fondation Docteur Michel Carvonis

Dominique Carvonis
President
7, Rue Lamartiniere
Bois Verna
Port-au-Prince, Haiti

Telephone: (509) 245-0441
Fax: (509) 245-2085
E-mail: fondationmichelcarvonis@doctor.com

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

The Fondation Docteur Michel Carvonis was created to honor the memory of Dr. Carvonis. Its mission is to create, manage, and support health-related endeavors. Its first project is to create a state-of-the-art intensive care unit and emergency room in Port-au-Prince, making the most recent advances in acute medical care management available to the entire community.

Food For The Poor, Inc.

Robin Mahfood
Chief Executive Officer
550 SW 12th Avenue
Deerfield Beach, FL 33442

Telephone: (954) 427-2222
Fax: (954) 596-4022
E-mail: mikea@foodforthe poor.com
Web site: www.foodforthe poor.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

Program areas: maternal and child health (including vaccination), nutrition/food security, HIV/AIDS prevention, care and support

Food For The Poor, Inc., raises funds and provides direct relief assistance to the poor. Its goals are to improve the health, economic, and social conditions of the people it serves. The organization's offices in Port-au-Prince are staffed with local personnel.

Foundation of Compassionate American Samaritans (FOCAS)

Judy Gillens
Program Director
Haitian Development Programs
P.O. Box 428760
Cincinnati, OH 45242

Telephone: (513) 621-5300
Fax: (513) 621-5307
E-mail: jgillens@focas-us.org
Web site: www.focas-us.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, TB control, primary education, microenterprise, and water

FOCAS is dedicated to helping poor people in Haiti by proclaiming the gospel of Jesus Christ and through discipleship and practical expressions of God's love. By providing basic needs such as elementary education, food, and medical attention, FOCAS has succeeded in making a profound difference in the lives of Haitians. FOCAS works with health partners, *Mission Evangélique Internationale* and *Oeuvres de Bienfaisance et Développement Communautaire*, to operate a community-based health program that serves nearly 100,000 Haitians.

The Friends of St. Vincent's Center

Hope Lennartz
Volunteer Executive Director
St. James's Episcopal Church
19 Walden Street
West Hartford, CT 06107

Telephone: (860) 233-8366
Fax: (860) 233-8366
E-mail: hlennartz@snet.net
Web site: www.friendsofstvincents.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

The Friends of St. Vincent's Center is an interfaith outreach ministry of St. James's Episcopal Church in West Hartford. Its mission is to provide food, medical, educational, and musical supplies to the children at St. Vincent's Center. In addition, its medical teams supply prosthetics, eye glasses, and dental care. At this time, major construction and remodeling at the Center are occurring with funds raised by The Friends.

Ann Fritschner

The Reverend Deacon Ann Fritschner
Fundraising and Nonprofit Consultant
120 West Allen Street, Suite A
Hendersonville, NC 28792

Telephone: (828) 698-9295
Fax: (828) 698-9296
E-mail: annieme@bellsouth.net

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Sud, Sud-Est, Artibonite, Nippes, Nord-Ouest, Nord, Nord-Est

Ann Fritschner is one of 65 Advanced Certified Fundraising Executives in the United States. As a nonprofit consultant, she helps secular, ecumenical, and faith-based organizations raise money in the United States. Her areas of concern are health care, HIV/AIDS, systems strengthening, communicating, and gap-filling in Haiti.

George Washington University Medical Center (GWUMC)

Glenn W. Geelhoed
Professor of Surgery, International Medical Education, and Tropical Medicine
Microbiology and Tropical Medicine
Office of the Dean, GWUMC, Ross Hall 741
2300 I Street NW
Washington, DC 20037

Telephone: (202) 994-4428

Web site: www.thehaiticonnection.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Nord-Ouest, Nord, Nord-Est

Program areas: information and resources

The Haiti Connection provides information and support to individuals, organizations, and groups involved in spiritual, medical, educational, or cultural exchange between Haiti and the United States. The Haiti Connection maintains a Web site that lists conferences, events, trips, and some resources. It has semiannual conferences and responds to approximately 300 inquiries per month.

Haiti Medical

Erwin Lerebours, M.D.
P.O. Box 413
Washington Mills, NY 13479

Telephone: (585) 234-8837
Fax: (509) 695-8367
E-mail: el@haitimedical.com
Web site: www.haitimedical.com

Program areas: HIV/AIDS prevention, care and support, communication, information technology, English/French/Creole translation

Established in 1997, www.haitimedical.com is a voluntary, nongovernmental, noncommercial Web site that promotes the use of information technology in the Haitian health sector. It is a point of reference as well as an educational, networking, and sharing tool that promotes health and aims to benefit the community. The Web site provides a searchable, online directory of Haitian physicians. Using internal and external expertise, www.haitimedical.com has also helped the Haitian Medical Association and the Association of Haitian Physicians Abroad to develop their Web presence at a low cost. This initiative is self-funded.

Haitian Episcopal Learning Partnership (HELP)

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Grand-Anse, Sud

Program areas: maternal and child health (including vaccination), nutrition/food security, HIV/AIDS prevention, care and support

Harvest International helps churches set goals for health and education in their communities and sends short-term medical and construction teams to Haiti approximately 20 times a year. Currently, it is establishing a medical clinic in St. Maarten. It also operates an orphanage in Port-au-Prince.

Healing Art Missions

Tracee Karaffa, M.D.
Founder
311 North Pearl Street
Granville, OH 43023

Telephone: (740) 587-0632
Fax: (740) 587-0878
E-mail: healingartmissions@msn.com
Web site: www.orgsites.com/oh/healingarts

Program work in Haitian Departments: Centre, Sud

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, general medicine, obstetrics/gynecology and general surgery clinics, school nutrition

Healing Art Missions supports a clean water project, latrine project, and a yearly medical clinic in Demier. It funds a school for 550 children, including daily lunches, and a medical clinic with a Haitian general practitioner, surgeon, and obstetrician/gynecologist in Campeche Dumay. The Dumay program is under the ownership and management of the Bethel Church of Haiti. Healing Art Missions also sends medical teams to Haiti from the United States twice a year to hold intensive medical clinics for specialist care in the Dumay Clinic. Each May, Healing Art Missions supports Haitian artists and raises funds for its program by holding a silent auction of Haitian art.

Healing Hands for Haiti

P.O. Box 521800
Salt Lake City, UT 84152-1800

Telephone: (801) 954-0299

Fax: (801) 954-0329

Web site: www.healinghandsforhaiti.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

Program areas: health policy/systems strengthening

Healing Hands is dedicated to improving and expanding rehabilitation services for physically disabled adults and children in Haiti. The organization operates on the principle that the best way to serve the people of Haiti is to enable them to serve themselves. It provides preventive and public health education, a school for therapists, a community awareness program, and caregiver training in orphanages, as well as rehabilitation medicine and physical, occupational, and nursing therapy five days a week.

In Haiti, contact Gina Duncan, Executive Director, 40 Rue Babiole, Port-au-Prince, de la Ouest.
Telephone: (509) 245-2534, E-mail: hhfexecutive@yahoo.com

Hope for Haiti Foundation

Peter Fontana
President
217 Fiddlers Point Drive
St. Augustine, FL 32080-6134

Telephone: (904) 471-4971

Fax: (904) 471-4299

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Grand-Anse, Centre

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, women's nutrition, obstetrics and family planning, vaccination

Lifeline Christian Mission is a 501(c)(3) faith-based organization and a registered Haitian nongovernmental organization. Lifeline has been ministering in Haiti since 1980. It works through 19 churches, and supports 13 Christian schools with 8,400 students, two health centers, an orphanage, and a feeding program that reaches more than 5,000 people weekly. It provides employment for 300 Haitians. Lifeline's Haiti center, Impasse Lifeline, is in Grand Goave. In addition, Lifeline hosts more than 500 U.S. citizens on work teams. Lifeline is interested in using its facilities and human resources to help accomplish Haiti's health goals, including those related to nutrition and vaccination.

Living Hope Haiti Medical Clinic

Calvin Babcock
8350 NW 52nd Terrace, Suite 107
Miami, FL 33166

Telephone: (305) 599-2780
Fax: (305) 599-2517
E-mail: calvinchb@aol.com
Web site: www.livinghopehaiti.com

Program work in Haitian Departments: Artibonite

Program areas: maternal and child health (including vaccination), nutrition/food security, health policy/systems strengthening

The Living Hope Haiti Medical Clinic has a full-time nurse and two assistant nurses. It will add a full-time physician by 2004. The clinic is focused on reducing the infant and maternal mortality rates in the village of Camathe. Children up to age five can visit the clinic free of charge. The clinic intends to actively provide general health seminars to the community.

Lumiere Medical Ministries (LMM)

Sharon Kolb
Executive Director
Evangelical Baptist Mission of South Haiti (MEBSH)
3816 South New Hope Road
Gastonia, NC 28056

Telephone: (704) 823-0271

Fax: (704) 823-0271

E-mail: immhaiti@carolina.rr.com

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Sud

Program areas: maternal and child health (including vaccination), family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, malaria control, health policy/systems strengthening, hospital, clinic, community health, remote clinics

Lumiere Medical Ministries serves jointly with the medical division of the MEBSH. The purpose of LMM is to help reach out in love with health care and education to Haitian people—not only to believers in the churches, but also to the general population that chooses to use the health services of Hôpital Lumiere (Bonne Fin) and Cayes Clinic and Hospital.

Management Sciences for Health (MSH)

165 Allandale Road
Boston, MA 02130

Telephone: (617) 524-7799

Fax: (617) 524-2825

E-mail: development@msh.org

Web site: www.msh.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Sud, Sud-Est, Artibonite, Nippes, Nord-Ouest, Nord, Nord-Est

Program areas: maternal and child health (including vaccination), family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, health policy/systems strengthening, community services and mobilization, organizational development, human capacity development, behavior change communication, health financing systems

MSH works collaboratively with health care policymakers, managers, providers, and consumers to help close the gap between what is known about public health problems and what is done to solve them. MSH seeks to increase the effectiveness, efficiency, and sustainability of health services by improving management systems, promoting access to services, and influencing public policy. MSH educates health care managers, providers, and consumers through technical assistance, training, publications, electronic media, and conferences; applies practical management skills to public health problems in the public and private sectors; strengthens the technical, management, and leadership capabilities of individuals and institutions through collaborative work and training programs; and applies and replicates innovations in health management.

In Haiti, contact Paul Auxila, Chief of Party, HS2004 Project, Rue Beaudieu #5, Musseau, Port-au-Prince, Ouest, Haiti. Telephone: (509) 510-9901, Fax: (509) 257-2881.

Web site: www.projecthope.org

Program work in Haitian Departments: Nord-Est

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support

The mission of Project HOPE in Haiti is to improve the effectiveness of the health system and the health of Haiti's people, and to relieve the burden of poverty. HOPE's current program aims to improve access to quality primary care services at facility and community levels in six communes in the western portion of the Northeast Department. The focus is on mothers and children. Work is carried out in partnership with the *Centres de Développement et Santé* and the Ministry of Health division in the Northeast Department, with support from USAID's Global Health Bureau via a grant for child survival activities for the years 2001–2006.

Promoteurs Objectif Zerosida (POZ)

Eddy Genece
Executive Director
2 Rue Carlstroem
Port au Prince, Ouest
Haiti

Telephone: (509) 244-4024

Fax: (540) 244-4024

E-mail: pozsida@hainet.net

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Sud, Nord

Program areas: HIV/AIDS prevention, care and support

A nonprofit Haitian NGO founded in 1995, POZ has worked in partnership with Plan International, Family Health International, UNAIDS, and the Embassies of The Netherlands and Japan. Currently it leads a network of 108 people living with HIV/AIDS, assisting in care and support activities, and advocacy against stigma and discrimination. POZ also collaborates with others in the areas of peer education and outreach activities targeting men who have sex with men, and with Population Services International on condom social marketing. Finally, the organization manages Telephone Bleu, the unique AIDS hotline in Haiti that provides basic information, counseling, and referrals to callers.

ROME Foundation International

Larry Chadwell
Chief Executive Officer
845 Bayshore Boulevard
Tampa, FL 33606

Telephone: (813) 601-3959

E-mail: lec.rome@gte.net

Web site: www.romefoundation.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area, Ouest, Grand-Anse, Centre, Sud, Sud-Est, Artibonite, Nippes, Nord-Ouest, Nord, Nord-Est

Program areas: maternal and child health (including vaccination), nutrition/food security, HIV/AIDS prevention, care and support, TB control, malaria control, health policy/systems strengthening, coordinating pharmaceutical distribution for 16 Haitian health care partners

The ROME Foundation operates and supports the operation of medical clinics and small hospitals throughout Haiti and provides medicines and supplies to organizations in need. Its focus is on the prevention and treatment of infectious and communicable diseases, with an emphasis on children and women.

ROME works through Organization ROME Haiti: Christian Sanon, President and Director General, #56 Boulevard 15 Octobre, Clersine, Port-au-Prince, Haiti. Telephone: (509) 250-6750.

Rotary Club of Miami West

Kathleen Tuitt
President
5930 SW 61st Street
Miami, FL 33143

Telephone: (305) 669-8203

Fax: (305) 667-9712

E-mail: ktuitt@bellsouth.net

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

Program areas: HIV/AIDS prevention, care and support

The Rotary Club of Miami West is an organization of business and professional leaders who provide humanitarian service, encourage high ethical standards, and help build goodwill and peace in the world. The Rotary Club develops community projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence.

Sacred Heart Haiti Ministry

Gerald Keenan
Convenor
675 Greenwood Avenue
Glencoe, IL 60022

Telephone: (773) 251-6626

Dowagiac, MI 49047

Telephone: (269) 782-6563
Fax: (269) 782-9852
E-mail: jwierman@locallink.net

Program work in Haitian Departments: Sud-Est

St. Paul's Episcopal Church organizes and supports volunteer travel to underserved rural communities to provide medical and dental care.

Technical Exchange for Christian Healthcare (TECH)

Richard Wood
President
P.O. Box 1912
Midland, MI 48641-1912

Telephone: (989) 837-5515
Fax: (989) 837-5515
E-mail: mail@techmd.org
Web site: www.techmd.org

Program areas: health policy/systems strengthening

Founded in 1990, TECH is a medical mission membership association with more than 90 member organizations serving together and promoting the gospel of Jesus Christ around the world. Member organizations include nonprofit Christian medical relief organizations and individuals committed to improving the quality of health care in the developing world. TECH member organizations partner to more efficiently provide resources and to exchange technical support among member organizations and their agencies. TECH is the only membership association to have established standards of quality that are adopted by each member agency. TECH also maintains a close relationship with other regional and national standard bodies.

The University of the Haitian Academy (UHA)

Marie-Pologne J. Rene
President
Health Department/School of Medicine and Health
4521 Church Avenue
Brooklyn, NY 11203

Telephone: (718) 856-1804
Fax: (718) 826-6285
E-mail: mariepologne@yahoo.com

Program work in Haitian Departments: Ouest

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, malaria control, health policy/systems strengthening

The UHA includes schools of medicine, nursing, physiotherapy, and medical technology. Its mission is to provide quality care to a population of about 150,000 underserved people. In the past five years, UHA has founded a health center on the campus of The Haitian Academy. The center cares for patients from the area. Victims of serious road accidents are given a chance to survive, and medical students now enjoy a place to enrich their training.

UFM International

Paul Eckhoff
Haiti Ministry Area Coordinator
P.O. Box 15665
West Palm Beach, FL 33416

Telephone: (954) 268-6862
E-mail: pceckhoff@starband.net
Web site: www.med.miami.edu/psychiatry/

Program work in Haitian Departments: Nord-Ouest

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support, TB control, malaria control, emergency and surgical services

UFM is a faith-based mission agency working in Haiti with the Union Evangelique Baptiste d'Haiti at Centre Medical Beraca and the House of Hope. These ministries, located at La Pointe des Palmistes, Port de Paix, include outpatient clinics (adult, pediatric, prenatal), and a 45-bed inpatient hospital (including surgery). The House of Hope is a chronic care facility for children suffering from TB or malnutrition, and it also provides long-term education and discipleship for vulnerable children.

United Nations Foundation

Health Scientist
1225 Connecticut Avenue NW, Suite 400
Washington, DC 20036

Telephone: (202) 887-9040

Fax: (202) 887-9021

E-mail: jherrington@unfoundation.org

Web site: www.unfoundation.org

The United Nations Foundation promotes a more peaceful, prosperous, and just world by supporting the United Nations and its charter. Through grantmaking and by building new and innovative public-private partnerships, the United Nations Foundation acts to meet the most pressing health, humanitarian, socioeconomic, and environmental challenges of the 21st century.

University of Miami

Sally Dodds, Ph.D.
Associate Professor
Department of Psychiatry and Behavioral Sciences
1695 NW 10th Avenue, Suite 3308
Miami, FL 33136

Telephone: (305) 355-9191

Fax: (305) 355-9187

E-mail: sdodds@med.miami.edu

Program areas: family planning and reproductive health, HIV/AIDS prevention, care and support, health policy/systems strengthening, training and capacity building for nongovernmental organizations, gender analysis of health programming

The University of Miami Department of Psychiatry and Behavioral Sciences conducts research in HIV/AIDS-related transmission prevention, mother-to-child transmission program development, neurocognition, and psychosocial support services. Training and technical assistance are provided in adapting best practices and empirically tested interventions to diverse cultures and in program development and evaluation.

Video Communications Corp./MedVision

Christophe Remy
222 Severn Avenue, Suite 3
Annapolis, MD 21403

Telephone: (888) 295-8720
Fax: (410) 295-9943
E-mail: cremy@vcsuperstore.com
Web site: www.vcsupersore.com

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

Program areas: tele-health, telemedicine, tele-education

Video Communications Corp. specializes in providing video communication technology to the health-care industry to implement and support tele-health, tele-medicine, and tele-education technologies for programs in Haiti for the purpose of improving health care and education.

Video Communications Corp. has developed products specifically suited for deployment in countries or locations without adequate health care and educational infrastructure. The corporation envisions its technology implementation to be used as a vehicle to bring health care services and educational programs that would not otherwise be available to the general population of Haiti.

World Relief

Hubert Morquette
Country Representative
P.O. Box 868
Baltimore, MD 21202

Telephone: (443) 451-1900
E-mail: not@provided.com
Web site: www.worldrelief.org

Program work in Haitian Departments: Port-au-Prince Metropolitan Area

Program areas: maternal and child health (including vaccination), HIV/AIDS prevention, care and support

World Relief aims to help churches help the poor of the world. In Haiti, World Relief educates church leaders to better understand HIV/AIDS, fight stigma and discrimination, and prevent the disease through education. World Relief promotes biblical-oriented behavior to prevent sexual transmission of HIV, and it created the Baptiste Anti-SIDA program. It works on mother-and-child health issues in the 25 poorest churches of Port-au-Prince.

World Vision

World Vision

Federal Way, WA 98063-9716

Telephone: (888)-511-6598 (general information)

Web site: www.wvi.org

Program work in Haitian Departments: Ouest, Centre, Sud-Est, Nord-OuestNord

Program areas: maternal and child health (including vaccination), nutrition/food security, family planning and reproductive health, HIV/AIDS prevention, care and support

World Vision Haiti (WVH) is a Christian nongovernmental organization that is part of the worldwide World Vision partnership active in approximately 100 countries. WVH has been working in Haiti for 25 years, operating Area Development Programs (ADPs) in 18 separate communities. Each ADP represents a 10–15 year commitment to approximately 10,000 individuals with health, agricultural, educational, advocacy, and various community development activities. WVH provides educational opportunities and health care to approximately 40,000 sponsored children. In 2002, WVH became an implementing partner for USAID for a five-year food security program that provides nutritional support for the Island of La Gonave and the high Central Plateau, and resources for health and agricultural activities.

For WVH, contact Lesly Michaud, National Health Director, or Wesley Charles, National Director. Address: Impasse Hardy # 9, Juvenat, P.O. Box 13401, Bureau Postal de Delmas, Port-au-Prince, Haiti. Telephone: (509) 260-0966, Fax: (509) 257-7845, E-mail: Lesly Michaud at lesly_michaud@wvi.org, or Wesley Charles at haiti@wvi.org.
